CVIAQ Proudly Introducing the CVIAQ GOLF DAY SPONSORS

PRESENTING PARTNER

Western Star Trucks are proud of a reputation for building world-class heavy-duty trucks, which are custom crafted and highly dependable. First introduced to Australia in 1983, Western Star's main assembly line is in Brisbane.

The versatility and integrity of the product and the company hasn't changed over the years. It has successfully competed in such diverse markets as the oil fields of the Middle East, the tough military requirements of Kuwait and the rugged Australian outback.

In 2000 Western Star Trucks Australia acquired distribution exclusivity for all MAN products within Australia/NZ and created MAN Automotive Imports. Western Star Trucks Australia P/L is a wholly owned subsidiary of listed public entity Transpacific Industries Group Ltd.

SUPPORTING SPONSOR

The Clem Jones Tunnel (CLEM7) is the fastest choice for north-south travel in Brisbane, allowing motorists to avoid up to 24 sets of traffic lights and completely bypass the CBD. That's because the CLEM7 is a 6.8km four-lane, dual-tunnel motorway linking five major roads in Brisbane.

Get straight to it from the Pacific Motorway and Ipswich Road at Woolloongabba, Shafston Avenue at Kangaroo Point, and Lutwyche Road and Inner City Bypass at Bowen Hills.

PRINCIPAL HOLE SPONSOR

Westpac is Australia's first bank and first company. We have 193 years' experience helping our customers to achieve their financial goals through good times and bad.

With a strategic focus on Australia, New Zealand and the near Pacific, the Westpac Group provides a broad range of banking and financial services – including retail, business and institutional banking.
